

CONFERENCE INTRODUCTION

- **2018 5th International Conference on Advances in Biology and Chemistry (ICABC 2018) will be during 6-8 August, 2018 in Taipei, Taiwan** and is sponsored by the Hong Kong Chemical, Biological & Environmental Engineering Society (HKCBEEES) and co-organized National Taipei University of Technology.
- The primary goal of the conference is to promote research and developmental activities in Advances in Biology and Chemistry. Another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in Berlin and abroad. ICABC will be held every year to make it an ideal platform for people to share views and experiences in Advances in Biology and Chemistry and related areas.
